ISSUE #25

Things you may not know about Christmas!

*Merry
Christmas*

- The character of Rudolph the Red-Nosed Reindeer was created in 1939 by Robert L. May, a copywriter for the Montgomery Ward department store, as a promotional gimmick.
- It is a myth that Coca-Cola created the red-and-white suit for Santa Claus. He had been depicted in a red suit for centuries before the company's advertising campaign.
- Did you know our country has 1,872 Christmas tree farms? According to Statistics Canada, the farms were concentrated in British Columbia, Ontario, Quebec, Nova Scotia and New Brunswick.
- The first Christmas tree in North America was set up in Sorel, Quebec, in 1781 by the baroness of Riedesel, who decorated a balsam fir with fruits and white candles to celebrate the end of a difficult period.
- According to Statistics Canada, almost six million liters of eggnog are consumed in December.

*Happy
New Year*

As we near the joyous season of Christmas it is with a heavy heart that I write this article in Mayor's Corner. The Community has lost a "star" in the world of Community Service and the void left will be extremely difficult to fill. Dorinda (Doreen) Parker, Deputy Mayor, past President of the Royal Canadian Legion, and dear friend to so many has left us after a short battle with cancer.

Doreen was an extremely close friend, and we worked on many endeavours together since I retired back home from military service. I joined the executive board of Branch #23 shortly after settling back in this beautiful "neck of the woods". Doreen and I worked on many projects at the Legion including River Run 4 Vets, Legion's cosmetic upgrades, Museum, and acquisition of an M-109 artillery gun to adorn the cenotaph. There were many fundraisers that Doreen spearheaded, and she was always in the background making certain the events were successful.

During the time she served as President and executive member, the Legion was in great hands. I encouraged Doreen to consider running for Council when Municipal Reform brought the Grand Lake Road settlement in to the Village. Doreen had always indicated that she would like to participate in municipal governance and this "sell" was not difficult! Not only did she run for a Council seat, but Doreen received the most votes in the Village. There is a tradition in this municipality that the elected candidate with the most votes is offered the position of Deputy Mayor, and I was extremely proud to offer and see her accept.

As Deputy Mayor, Doreen took a large leadership role on Council. She filled in to Chair several Council meetings with professionalism and confidence. As a member of this Council, Doreen wore many hats - Councillor in charge of Prospect Place, parks, and spent significant time in charge of roads and streets. We also formed a committee to take operational control of the Doak Historical Property. We were in the process of forming an Athletic Association to enhance sport in the Village and Upper Miramichi region. There will be many great words spoken of Doreen Parker - community leader and a wonderful family person. Doreen was always the person I brought my problems to when it came to community service. She always listened and brought a great perspective. I will miss my friend and the community will miss her. The initiatives she brought to our community will never be forgotten. Until we meet again Doreen, watch over us as we carry on with our work in the Village.

An abstract graphic featuring a background of red and white diagonal stripes. Overlaid on this are several thick, black, wavy lines that flow from the left side towards the right, creating a sense of movement and depth. The lines vary in thickness and curvature, some appearing more solid while others have a slightly textured or hand-drawn quality.

This image shows a single sheet of white, textured paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There is no handwriting or other markings on the paper.

Doaktown Curling Club

2025-2026 Season

We are excited to introduce you to a new season of curling and invite you to take part. Below are some items that might interest you.

FREE MEMBERSHIP TO NEW CURLERS.

This is for anyone who is totally new to curling OR who hasn't curled for over a year. We want you back! Curling is a sport that can be adapted to you no matter what your activity level or mobility issues. All you need is a clean pair of foot ware; we have all other equipment available.

REGULAR CURLING AND STICK CURLING.

Presently we have two schedules; regular curling in the evening (even here we have stick curlers) and specifically stick curlers in the afternoons. Stick curling is becoming very popular across Canada.

OPEN NIGHT

This is for those people who may want to curl but can't commit to a schedule. There will be one night a week (probably Friday) where anyone can drop in to curl. If popular enough this may become a "WINGS AND CURL" night.

STUDENT TEAMS

The club would welcome a team or teams of 4 to 6 students from local schools (grades 7-12). Instruction and guidance will be given. This team will be placed on the regular schedule so a commitment of 2 nights a week would be required. Free membership!

Memorials & Thank You

The family of the late Nilah Price would like to express our deepest and most heartfelt gratitude to everyone who supported us as we mourned our beloved mom, sister, friend, and Nan. The kindness shown to us during this difficult time has been truly astounding, and we are profoundly grateful. Nilah will always be remembered for her kind words, warm hugs, and her infectious smile. Thank you for every thoughtful word, shared memory, card, flower, hug, meal, and donation. Each gesture reminded us of how blessed we are to be surrounded by such a compassionate community.

We are especially thankful to Pastor Carroll and Mrs. Carroll for providing such a beautiful service; to Pastor Dwight Cole for his meaningful contribution to the service; and to Mindy and Mya Cole for their beautiful music. We are also deeply grateful to the Abundant Life Church family for providing the delicious food for the reception.

From the bottom of our hearts—thank you.

Krista, Tim, Jamie, Jennifer,
Alex, Keir & Kate

A decorative illustration at the bottom of the page featuring a long, horizontal pine branch with dense green needles. To the right of the branch is a large, vibrant red bow with two gold bells hanging from its center. The entire illustration is set against a white background.

Thank you

The family of the late Dosithé (Dusty) Brideau would like to extend a heartfelt thank you to all who reached out with kind words, cards, flowers, food and support following his passing.

Your thoughtfulness and presence brought comfort during a very difficult time. A special thank you to Tiffany and Kennedy (granddaughters) for delivering the eulogy, Pastor Carrol for the graveside service and the Abundant Life Church Ladies for the lunch after the service. We also extend out sincere gratitude to Bobby Betts who crafted the personalized urn - a tribute that meant so much to our family.

Your kindness will never be forgotten.

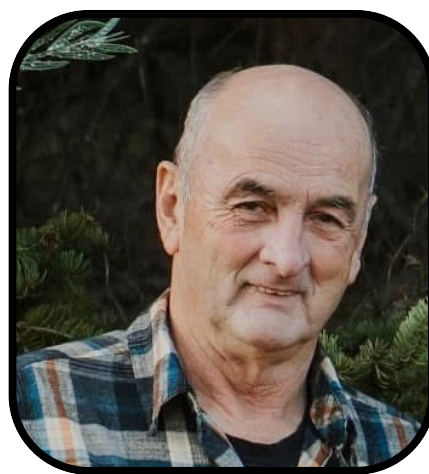

With love and appreciation
Judy, Janie, Dustyn and family
